RECEIVED

INTER-OFFICE COMMUNICATION

To: Heidi Sorin, CO-DERR

From: *JJ* Jonathan Jacobs, SEDO-DERR through Brian Blair and Ken Dewey *AL for BB* *AL for KD*

Date: June 16, 1998

On January 15, 1998, the DERR Enforcement Committee recommended pursuing an administrative enforcement order with the Potentially Responsible Parties at the Satra Concentrates AKA Satralloy (Oh Id 441-1068) facility in Jefferson County. A strict negotiating time frame was recommended, at the conclusion of which the site would be referred to the Attorney General's Office if no settlement had been reached. It was also recommended that NRDA issues be evaluated by the negotiation team.

Since the Enforcement Committee meeting, DERR has faced several programmatic and budgetary issues which have necessitated resource re-allocations. Therefore, further DERR actions at the Satra Concentrates site will be delayed until resources are available.

In the interim period, DERR recommends that other affected divisions (DSW, DSIWM, DAPC, DERR-RTK, DHWM) proceed with enforcement and/or other actions as necessary.

If you have any questions, please call me at (740) 380-5255.
